Independent Auditor's Review Report on Unaudited Consolidated Quarterly Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Antony Waste Handling Cell Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results ('the Statement') of **Antony Waste Handling Cell Limited** ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') (refer Annexure 1 for the list of subsidiaries included in the Statement) for the quarter ended **30 June 2024**, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the Listing Regulation, to the extent applicable.

Antony Waste Handling Cell Limited

Independent Auditor's Review Report on Unaudited Consolidated Quarterly Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

4. As explained in Note 3 to the accompanying Statement, the Holding Company's non-current trade receivables as at 30 June 2024 include certain long outstanding receivables aggregating ₹ 566.39 lakhs due from two Municipal Corporations, which are under dispute but considered good and recoverable by the management. However, in absence of sufficient appropriate audit evidence to corroborate the management's assessment of recoverability of these balances, we are unable to comment on adjustments, if any, that may be required to be made to the carrying amounts of such receivables as at 30 June 2024 and the consequential impact, on the accompanying Statement. Our review report dated 11 August 2023 on the consolidated financial results for the quarter ended 30 June 2023 and audit report dated 24 May 2024 on the consolidated financial results for the quarter and year ended 31 March 2024 were also qualified in respect of this matter.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above, except for the possible effects of the matter described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to Notes 4 and 5 to the accompanying Statement, regarding uncertainty relating to the timing of recoverability of current trade receivables and other current financial assets amounting to ₹ 1,500.00 lakhs and ₹ 2,005.95 lakhs, respectively as at 30 June 2024 which represents amounts and claims recoverable from two municipal corporations and are overdue for a substantial period of time. Further, the aforesaid trade receivables include is under dispute with the respective municipal authority and the matter is currently sub-judice at the Hon'ble Supreme Court as further explained in Note 4. Basis the legal advice obtained by the management and discussion with the municipal authorities, Management believes that the aforesaid amounts are good and expected to be recovered in due course. Our conclusion is not modified in respect of this matter.
7. We draw attention to Note 10 to the accompanying Statement regarding the search operation carried out by the Income Tax Department during October 2021 and demand orders received by the Holding Company and its three subsidiary companies in the previous year. Given the uncertainty and pending outcome of the assessment proceedings, the adjustments, if any required to the accompanying Statement owing to the impact of aforesaid matter, is presently not ascertainable. Our conclusion is not modified in respect of this matter.

Antony Waste Handling Cell Limited
Unaudited Consolidated Financial Results

Notes:

- 1 Antony Waste Handling Cell Limited ("the Company" or "the Holding Company") and its subsidiaries are together referred to as 'the Group' in the following notes. The above consolidated financial results (the 'financial results') of the Group have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34 - Interim Financial Reporting (Ind AS 34), prescribed under section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended). These financial results were reviewed and recommended by the Audit Committee and were thereafter approved by the Board of Directors, at their respective meetings held on 08 August 2024.
- 2 Figures for the quarter ended 31 March 2024 represents the balancing figures between the audited figures in respect of full financial year ended 31 March 2024 and unaudited consolidated published year-to-date figures upto the nine months period ended 31 December 2023, which were subject to limited review by the statutory auditors.
- 3 Trade receivables (non-current) of the Holding Company as at 30 June 2024 include amounts which are due from two Municipal Corporations aggregating ₹ 566.39 lakhs, which are outstanding for a long time. Out of this sum, ₹ 168.33 lakhs pertain to a matter for which an arbitration award has been received during the current quarter in Holding Company's favour, however, the time limit within which this award can be further challenged by the other party has not been exhausted and in all likelihood, it is expected to be challenged with higher jurisdiction authorities before it can be finally settled. Similarly, the amount of ₹ 398.06 lakhs is presently under dispute at the Honorable High Court of Bombay. Owing to the aforesaid legal cases, the recoverability of amounts is expected to take some time. However, Management is hopeful of recovering these trade receivables in due course and hence the same are considered as good for recovery as at the reporting date.
- 4 Trade receivable (current) of the Holding Company as at 30 June 2024 include amount of ₹ 1,500.00 lakhs which represents dues from a Municipal Corporation, which is overdue for substantial period of time. The dues represent contractual amounts which were deliberated and approved by standing committee of the Municipal Corporation and conciliation agreement was signed. Post approval, the Municipal Corporation moved to the Hon'ble High Court against the decision of the standing committee, which was quashed by the Hon'ble High Court in favor of the Holding Company. The Municipal Corporation further challenged the order at the Hon'ble Supreme Court. The matter is currently under review with the Hon'ble Supreme Court. Based on the contractual tenability of the dues and legal opinion, Management is hopeful of recovering these amounts and hence, the same is considered good of recovery as at the reporting date.
- 5 Other financial assets (current) of the Holding Company as at 30 June 2024 include amount of ₹ 2,005.95 lakhs which represent receivable towards reimbursement of minimum wages from a Municipal Corporation, which are overdue for a substantial period of time. The Holding Company had received balance confirmation as at 31 March 2024 and communication from the municipal corporation, stating approval has been received from the State Government for reimbursement of payments and the municipal corporation is in the process of arranging funds to settle the aforesaid dues. Considering all these factors and ongoing discussions with the municipal corporation, Management expects that the outstanding balances will be realized and accordingly above receivables have been considered as good for recovery as at the reporting date.
- 6 The Board of Directors of AG Enviro Infra Projects Private Limited ("AGEIPPL"), material subsidiary of the Holding Company, at its meeting held on 9 November 2023 had approved the scheme of merger of 'KL Envitech Private Limited' and 'Antony Infrastructure and Waste Management Services Private Limited' (both being wholly owned subsidiaries of the Holding Company) with AGEIPPL. This merger is pursuant to the provisions of Section 230 to 232 and other applicable provisions of the Companies Act, 2013. Necessary hearings in relation to the said scheme of merger have been concluded in National Company Law Tribunal, Mumbai bench ('NCLT') and the final order is awaited at present.
- 7 The financial results does not include financial results of Mazaya Waste Management LLC, a joint venture, due to non availability of financial results for the respective periods. Further, the amount is not material to the consolidated financial results for all the periods presented in these financial results.
- 8 The Group is primarily engaged into business of waste management and its operations comprise waste management and allied activities within India. The Chief Operating Decision Maker (CODM) reviews the Group's performance as a single segment. There being only one segment, separate disclosure for segment is not applicable.
- 9 During the quarter ended 30 June 2024, the Holding Company has issued 5,160 equity shares of face value of ₹ 5 each at a premium of ₹ 165 per equity shares pursuant to exercise of stock option by the holders under the AWHCL ESOP 2022 scheme.
- 10 The Income Tax Department ('the Department') conducted a Search under the provision of the Income Tax Act, 1961 ('IT Act') ('the Search') at two business premises of the Group and residential premises of few of the Directors during October 2021. During the search proceedings and thereafter, management has provided required support and co-operation to the Department. During the quarter ended 31 March 2024, the Holding Company and its three subsidiary companies were in receipt of demand order u/s 143(3) and 147 of the IT Act, in respect of five different years ranging between AY 2015-16 and AY 2022-23 which primarily pertains to disallowances of certain expenses and addition of certain incomes. The respective companies have evaluated the demand orders and after considering all the available records and information known to it, during the current quarter have filed an appeal before the Hon'ble Commissioner of Income Tax (Appeals) against the aforesaid demand orders and have also filed for rectification of orders with the Assessing Officer in respect of certain adjustments made by them for four different assessment years. Subsequent to the quarter ended 30 June 2024, a rectification order has been received in favour of a subsidiary company for AY 2017-18. While the uncertainty exists regarding the outcome of the aforesaid assessment proceedings, the Management has obtained views of an external expert in relation to its tax position on the aforesaid matters and also conducted an independent review of documents and information available with it, which supports the management's contentions. Based on the above, the Group believes it can succeed in the appeals filed against the aforesaid demand orders and accordingly no material adjustments are required to these financial results.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. 5. Based on our review conducted as above, except for the possible effects of the matter described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
6.
